## HORSES AT TRACK

Activity of Trainers and Jockeys  
at Kapiolani Park.

PROSPECT IS VERY FAVORABLE

Racing Events Will Eclipse  
All Previous.

Something About Horses at the  
Stables—Different Classes of An-  
imals in the Field

Just now it is all activity at the  
stables in Kapiolani Park. At any  
time during the day little fellows may  
be seen running about the yard and in  
and out of the stalls with buckets,  
sponges and blankets, calling to one  
another and making remarks about the  
various horses in and out of sight.  
Trainers and jockeys can be seen dog-  
ging around the corners, attending to  
this and that thing and eyeing each  
other for the least sign of a move. It  
was only on Tuesday that the first  
horses, with Messrs. David and Bag-  
ley in charge, were taken to the track  
to be prepared for the 11th and 12th of  
June races, and yet today nearly all  
of the stalls will be filled, and that,  
too, with some of the very best horse-  
flesh that has ever set foot on Island  
soil.

The track is being put into shape  
under the management of Charles Da-  
vid, and, by the end of next week, it  
is expected that it will be in condition  
for the horses to travel decently upon.  
The track was in good shape last win-  
ter, but owing to the dry spring and  
the fact that the place has not been  
used, caused its present undesirable  
state.

The prospects for this year's racing  
are very good. There is a fine class of  
animals, and, in regard to the harness  
horses, it may be said that they con-  
stitute the best class that has ever been  
put forth to race on Hawaiian soil.  
Most of these have arrived from the  
Coast within the last three or four  
months. In regard to running horses,  
the prospects are just as good as they  
ever were, so, taking it all in all, there  
should be some very good sport on  
the 11th and 12th of June. There will  
be about 12 running and 12 pacing  
horses in the events for the above  
dates, recently arranged by the Ha-  
waiian Jockey Club. Of course, all  
these are not at the stables. The Maui  
men will not send their animals down  
until just before the races, but rumor  
has it that Mr. Albert Horner of Ha-  
waii will soon send his blue blood to  
the track. Tom Patterson moved out  
with his horses yesterday, to show  
those who had already arrived that  
there were no hard feelings at all. Jack  
Gibson, Tom Hollinger and one or two  
others are already at the stables.  
There has been little or no working  
since the arrival of horses at the track,  
but as soon as things have been got-  
ten into shape, exciting times may be  
looked for.

Now, then, something about the  
horses that it is a matter of certainty  
will be in the races of June 11th and  
12th, and first of all, the runners.  
Lord Brock is one of the favorites  
and owned by Frank Vida. Jim Crow  
is the proud keeper of this animal.  
Will he do anything in this year's  
races?

A sorrel and a bay gelding, from  
San Francisco, the property of Gus  
Schuman, will also take part. These  
will be in charge of Tom Patterson.

The Halstead Brothers will enter  
Magnet, Confederate, a two-year and a  
three-year-old colt. A new jockey from  
the States has been employed to take  
charge of these.

Then there's Tom Hollinger's Mar-  
garet H., a fine Hawaiian-bred mare,  
which Tom himself expects will do  
wonders.

Charles David, with his five-year-  
old bay by Sydney, will be in the field  
for blood.

Cecil Brown's Goldsmith is in charge  
of Jack Gibson.  
Tom Patterson may get a horse from  
H. M. von Holt, but matters in con-  
nection with that are rather unsettled  
at the present time.

It is understood that the greatest  
interest will be centered in the pacing  
races. There's Billy Norton's Ralph,  
John Humburg's Billy Button, Bill  
Cunningham's gray mare and Decker's  
bay mare from the Coast. "There are  
others," but these will be announced  
in their own good time.

About 2:30 p. m. yesterday Margaret  
H., Goldsmith and Charles David's bay  
mare indulged in a little fun on the  
track. Nobody knew the time. Each  
of the drivers looked around to see  
how near his next man was to him.  
This was made absolutely impossible,  
on account of the dust from the  
horses' hoofs.

The arrival of the race horses at the  
track has made things look like old  
times again. Yesterday and day before  
large numbers of people were out to  
see the horses work, but were, of  
course, disappointed. A large crowd  
will go out on Sunday morning early.

### Circuit Court News.

The annual accounts of J. O. and  
G. R. Carter, trustees of the estate of  
the late H. A. P. Carter, were filed yes-  
terday.

J. A. King, receiver for the estate  
of John K. Sumner, filed a notice yes-  
terday that in the suit brought by T.  
C. Potter, defense would be set up on  
the grounds of illegality and fraud.  
The defendants' answer was filed

yesterday in the case of James W.  
Lloyd vs. Sing Tai Kee Co.  
The final accounts of Elizabeth B.  
Waterhouse, executrix of the estate of  
the late John T. Waterhouse, were  
filed yesterday and the executrix dis-  
charged.

### MURDER ON MOLOKAI.

Chinese Storekeeper Killed and  
Store Ransacked.

For the first time in many years the  
courts will have a case of apparently  
premeditated murder to try at the  
next term of the court. By the Kinau  
yesterday word was received of the  
murder of a Chinese merchant at Ka-  
malo, Molokai, and the brutal assault  
on his wife, presumably by three na-  
tives, named Sam Kuu, Paahao and  
Noa.

From the accounts received, it seems  
that these three men had a difficulty  
with the Chinaman on Saturday after-  
noon because he declined to give them  
credit. The men were angered and  
swore vengeance. The wife was present  
and overheard the conversation. Some  
time during the night the woman  
was awakened by a man in the room,  
but a moment later she was knocked  
senseless by a blow on her head. What  
followed is a blank. She regained con-  
sciousness next morning and shouted for  
help. Neighbors went to the house and  
heard her story. A search was made for  
the husband, and his body was found  
some distance from the house, he having  
been killed by a blow on the head, made  
with a stone.

A description of the men who had  
been at the store the day before was  
obtained from the woman, and officers  
set off to arrest them. They were  
found at Kaunakakai, and in their  
possession some new goods, believed  
to have been stolen. The men were  
confronted by the woman, and fully  
identified as those who had had the  
difficulty with her husband. The new  
clothing worn by the men was iden-  
tified by the woman as having been  
stolen from the store the night of the  
murder. The prisoners were locked up,  
and may be brought here on the Mo-  
kolii for safe keeping.

### Kauai Troubles.

A report was received from Kauai  
yesterday to the effect that Chinamen  
at Lihue plantation had made another  
attack on the white employees, and that  
police from different districts had  
been called in. The report could not  
be verified by the purser of the James  
Makee.

## Indurine.

### COLD WATER PAINT

Especially Designed for Inside  
Work on Factories and Public  
Buildings.

It is a dry powder which can be pre-  
pared for use by simply stirring in  
COLD WATER, and can be applied by  
anyone, and will always produce good  
work.

It is VERY WHITE, extremely re-  
flective and hardens on a wall like  
stone, and will take any tint.

It will last for years and is unaffected  
by gases.  
One coat covers better than two coats  
of oil paint or whitewash.

It can be used on any surface and  
for all classes of work, even for the  
finest decorating.

## OUTSIDE INDURINE.

This is for Outside Work.

Such as Fences, Outbuildings, Labor-  
ers' Quarters. It is a thick paste to be  
diluted with cold water, stands rain  
and exposure as well as oil paint, and  
costs but a fraction as much.

## Cold Water Kalsomine

Adapted for Dwellings, Offices and Pub-  
lic Buildings or any other place where  
KALSOMINE is used. It will not rub,  
discolor or scale off.

## LUCOL

A new Paint Oil. It comes raw and  
boiled; is superior to linseed, and cov-  
ers with one-third less lead and pig-  
ment to the gallon.

P. and B. Compounds and Papers.
